We appreciate our horses being part of the Big Country Breeders sale. Thank you Leo, Sam, Steve and Lindsay for your hospitality and friendship. We are offering our 2008 (coming two year old) foal crop.

We try to raise the kind of horses that we like. These colts are sons and daughters of Shiners Desperado, Hickorys Little Boon, and Dynamite Shyanne. Our broodmares are friendly, good looking mares with good bone structure and muscling. They have good heads, feet, legs, and withers - and are big enough to ride and stay sound. We think these young horses should be nice performance, ranch and breeding prospects. We hope you do, also.

Thank you, DJ Martin, for all the time and work you put into getting these colts ready for their new homes. We really appreciate you. Thank you, also, to Dan Harrington, Logan Eayers, Mick Trask and Tyler Trask for your help. We appreciate each of you!

As you know, each horse has its own disposition and personality -- and its very important to us that each one is matched up with the right new owner. If you have any questions about a colt, please ask one of us.

Good people and good horses are special. We appreciate both. Thank you!

Mike and Terry Karrels
