Northwest College Ag Pavilion ♦ Powell, Wyoming

FULL 2 YEAR OLD BULLS ♦ SELECT SPRING YEARLINGS

This proven donor is not only the foundation of the Canyon Creek donor band, but better recognized as the dam of Mytty In Focus, the all-time leader in semen sales at ABS Global as well as the heaviest used bull in the Angus breed the last 2 years running. She has a flawless production record with 4@99 for birth, 4@110 for weaning and 4@108 for yearling. She has 62 progeny scanned for ultrasound that ratio 101 for Marbling, 101 for Ribeye, and 94 for Fat. We will offer seven (7) sons of this breed matron that offer some of the most elite outcross genetics.

This female is a full sister to the Angus breed's all-time high income producing female, 2536. Stemming from the breeds most dominant carcass cow family, this female also maintains superior phenotype and maternal traits. She is a stout made, square-hipped female that injects that same power and profile into her offspring. We will offer eleven (11) sons of this powerhouse female on March 30th!
