Terms and Conditions

The Cattle under the suggested terms and conditions of the American Angus Association.

Bull Guarantee

Cripps Sterling Cattle, Diamond T Cattle, Lund Angus guarantees the fertility status on all our bulls. All bulls have passed a breeding soundness examination including a semen evaluation. Any injury which occurs after sale is buyer's risk. Please contact us right away, if your bull develops a problem and have the bull assessed by a vet as soon as possible. If a bull fails to meet our breeding standard we will credit you the value minus the salvage towards next years bull purchase.

Herd Health

All bulls are current on shots and had Ivomection pour before the sale.

Sale Order

Bulls are being sold in the order they were born.

Delivery

Bulls are to be picked up at the time of sale, unless previous arrangements have been made.

Inspection of the Bulls

The bulls are available for viewing the afternoon of April 11, 2011 or the morning of April 12, 2011 before the sale.

We are excited to have our second annual sale at Miles City this year. Cripps Sterling Cattle is owned and operated by Lonnie and Tonya Cripps and Diamond T Cattle is managed by JR Lund and we are working together to provide all our customers with the best performance bulls that will impact your herd with excellent calving ease and add profitability to your bottom line.

Welcome everyone,

Cripps Sterling Cattle would like to thank everyone for coming to our second annual sale. We have been raising and selling bulls private treaty for 15 years, until last year when we had our first annual sale at Miles City Livestock. I would like to say this year we are pretty excited with the selection of bulls that we have for sale. We are very pleased with the bulls performance this year.

The ranch is located seven miles North of Grass Range on Box Elder Lane. These cattle are efficient and raise high quality calves. All of our bull calves are produced from well proven sires from ABS, Genex, and Select Sires, also from our own heard sire DTC Traveler U30 . Who's calves have shown very good growth and his daughters are some of our favorite replacement heifers.

Our program is to select only from the very top end of bulls after being ran on real world range conditions. We developed our bulls with soundness in mind, so when they are turned out to pasture in the summer they are able to maintain weight and stay structurally sound. Our focus is to maintain quality well balanced, cow herd that can provide the best value for your dollar.

We are always striving to produce the most functional cattle that can maintain themselves and do more in less than ideal range conditions. Thanks for coming and taking the time to come to our sale.

Best regards,
Lonnie and Tonya Cripps
