Silent Auction Bull Sale

Friday, April 1, 2011 • 1:00 p.m.

Selling 51 Bulls

11096 N Forks Road
Whitewater, MT 59544

Welcome to our 3rd annual silent auction bull sale. We have been raising registered angus cattle since 1988 and have been selling bulls private treaty. Two years ago we tried the silent auction method and it has worked out well for us.

We try to raise bulls that will produce calves that will grow, have good carcass qualities, have good maternal traits, and most important, have good dispositions.

This year we kept 51 bulls out of 145 bull calves. The bulls averaged 674 lbs, with no creep fed, when weaned off of the cows on 10-20-2010. We turned them out on crested wheat pasture for 30 days and then put them on pellets around November 10.

The bulls will be fertility tested and fully guaranteed. Scrotal measurement will be available sale day.

If you have any questions, please call or come and look at the bulls anytime.

Hope to see you sale day!

Sincerely,

The Maths

Recommendation Letter

We have been feeding Bob Math's cattle for six years. They have been in the top 10% of the highest average daily gain. We have been very happy with the quality grading with them at 95% choice or better for every year. The ribeye area has been good and getting better over the years. We look forward to feeding Bob's cattle in the feedlot.
