RANCH**

*Spring 2011*

***PRIVATE  
TREATY  
BULL SALE***

***MELVILLE, MT***

To follow is a preview of the FairView Fall 2009 Bulls offered for private treaty sale at the ranch. We are a Fall calving program and the bulls are strictly developed on grass and then fed chopped hay through the winter. We recognize that selling bulls is a building process and that there is not one perfect bull out there, though the ramifications of a misjudged breeding decision certainly stay in a herd for a long time. The commercial cattleman must have the grass efficient maternal factory whose offspring make money converting grass into red meat. Therefore we are striving to identify those bulls and heifers from 10 to 14 months of age that convert and gain pounds on a forage based test more quickly than their contemporaries. Feed efficiency has become the driving force in the beef industry in an economy of ever rising input costs.

The FairView program is centered around the mother cow. We believe that it all starts with the female and that is why we have put together a powerful maternal base of donor cows. You may ask what our criteria is for an ideal female? An ideal female in our eyes consists of these desired traits:

- Fertility
- Adaptability
- Efficiency in conversion of available resources
- Ability to function productively while maintaining body weight
- Longevity – the only true indicator of disease resistance and fertility;
- Structural soundness
- A very low reliance on supplements
- Ability to function efficiently and produce high quality beef in a totally forage based environment
- Ability to produce offspring that will finish efficiently on grain and forage based diets
- Produce good yielding carcasses maturing/finishing at acceptable slaughter weights and age

To multiply these desired traits more quickly we have been using embryo transfer heavily over the last two years and hope that the commercial man can reap the benefits of the dollars we have allotted to the females in our program. Our program will always be based with commercial cattlemen at it's core. A good commercial cattleman, seedstock producer relationship is key. Come and see what our program is about, give us an honest opinion, tell us what you like or don't like, what you need and what we can offer. Remember profit has little to do with what you receive and a lot to do with what it costs to get there.

The bulls and cows can be viewed at your convenience here at the ranch.

Sincerely,

George and Judy Frank  
Kenny and Rachael Lee
