Fellow Cattlemen,

Welcome to our annual bull sale on March 16, 2012 at Midland Bull Test Center.

This year has been an interesting one with cattle prices moving forward and cow numbers declining. The future looks good. In an effort for us to continue to offer our clients a greater selection of bulls, we have made some changes. We are excited to include Basin Angus Ranch in our sale. Doug and Sharon Stevenson have a super program and we are proud to have them working with us on the bull sale. With this addition, we can offer a greater selection of bulls while maintaining our quality of bulls.

All of the bulls have been fed and performance tested at Midland Bull Test Center. Steve and Lindsay Williams and their crew have done a great job of developing the bulls on a high roughage ration.

If we can be of any assistance, please call. We hope to see you on sale day.

Sincerely,

The Consignors
