6th Annual Bull Sale
Saturday
March 3, 2012

Montana Livestock Auction • Ramsay, MT

Lunch 12:00 • Sale 1:00 PM

Please bring this catalog with you sale day

Dear Fellow Beef Producers,

On behalf of everyone at Veltkamp Angus, I'd like to welcome you to our 6th Annual Bull Sale. I would also like to thank everyone who has helped make our past sales a success.

All of the bulls are current on their vaccinations, semen tested, and ready to go to work. We blood tested everything and are proud to say we have a brucellosis free herd. The bulls come with a first breeding season guarantee and free boarding until you are ready for them.

Wow! What an exciting time to be in the cattle business. The beef industry has reached record highs. The problem is that input costs have also reached record highs. The first step in keeping input cost down is to start with right genetics. I weighed my cows last year, they averaged 1296 lbs. My bull calves averaged 703 pounds on September 1. That is 55% of their body weight. I feel that middle of the road is the answer. A big framed cow takes a lot more to keep around and has a hard time weaning off 50% of her body weight. A small framed cow eats less but lacks the performance we expect of her.

Thanks and hope to see you at the sale!

Sincerely,
Darin Veltkamp

The dam is a first calf heifer. Grandam has raised six calves with an average weaning ratio of 114, and a yearling ratio of 106. Great Grandam records weaning and yearling ratios of 112 and 107. The cow family has some birth weight so I wouldn't recommend using this bull on heifers.

Lot 75's sire, 5219, is a bull I bought from VanDyke Angus two years ago and used him as a clean-up bull. This sire group is quite a bit younger so keep that in mind when looking.

25 Yearling Angus Heifers

These heifers are commercial purebred black Angus heifers, heifer mates to the bulls in the sale. They are open and ready to breed. They are current on all their vaccinations including Bangs vaccination, a pre-breeding shot of Virashield 6 VL5, and 8-Way. They will be sold as commercial heifers, but I can register them for an extra \$75/head.

Heifers will be sold on a basis of 5 or more head in number order. I would like to deliver them as soon as possible.

Notes

Thanks for coming to the sale!
